Recommendations

"The rural *vision day* I attended was so encouraging because of the great interest from rural churchgoers, but also because we heard of so many exciting and innovating things already going on"

Alan Smith
Bishop of St Albans

"I've been waiting for a day like this for ages. The subjects that were discussed have been what I've wanted to do but I didn't know how to go forward. It has given me lots to think and pray about."
