

## About **MONEY MATTERS**

MONEY MATTERS is a network of local organisations concerned to help people manage their finances. Current members include Coastal Credit Union, St Mary's Church Longfleet, Hope House Debt Advice, Winton Salvation Army and others.

The Personal Budget Coach network is funded by The Co-op Regional Members' Fund and supported by Bournemouth and West Hampshire Water.

Personal Budget Coaches are trained to help people to monitor their expenditure more effectively, in an attempt to allay the problems that accompany debt. They are not qualified to offer financial or debt advice, but will help clients to access such advice where necessary.
